### Akashic Field Therapy™

A method of transpersonal psychology with quantum healing processes. It accesses deeply repressed memories. This method has been recently improved and has produced amazing results.

### What to expect from the training

You will learn how to conduct an Akashic Field Therapy™ for yourself and clients. What is the Akashic Field? What role does the subconscious play? Other topics: Dowsing, Evaluating Deep Trauma, Working with AFT Charts, Initiating an Active Process of Healing, Resolving Negative Beliefs & subconscious fears, Identifying and Healing Traumatic Memories, Generating Spiritual Energy for healing, using affirmations for releasing core issues, hands on experience, interpreting AFT patterns and much more!

**FEES:** \$495.00 Tuition, includes full manual and 2 day training. A \$150 deposit is required to reserve your space at this exciting training opportunity. The rest of the training fees can be made in several installments of \$115.00 All fees due by March 19, 2008. Please register early, as space is limited.
